Welcome to 5 Lewis Rd, Hopewell Junction, a stunning property exuding modern elegance and built to perfection in 2019. This exquisite home features five spacious bedrooms and four full bathrooms, offering ample comfort for families of all sizes. The residence is a testament to refined living, boasting luxurious cherry wood floors and beautiful cherrywood finished kitchen cabinets that enhance its sophisticated charm. Enjoy the convenience of multiple walk-in closets and a large master suite complete with an expansive master bathroom. The property also includes a generous unfinished basement, spanning 1,463 square feet, which presents a fantastic opportunity for customization and additional living space. This home's outdoor offerings are equally impressive, with professional lawn care maintenance, including mulching, as well as garbage and recycling removal services. As part of a private community, residents have exclusive access to a clubhouse equipped with top-notch amenities: a heated pool with a lifeguard, sports courts, tennis courts, basketball courts, a fitness center, and a yoga room. The idyllic 18-mile
